### What Have You Done to Help a Child Today?

The Department of Early Learning is always working to improve the lives of Washington's children. Here are a few ideas for how you can help:

1. Donate a copy of a children's book you love to a child care or youth program.
2. Parenting is a challenge. Praise a parent when you get a chance.
3. Ask a child in your life about her day and really listen to her answer.

Have other ideas for helping children? E-mail us and we'll post them on our web site.
