

2011-12 ECEAP Outcomes Reporting Requirements

Due June 15, 2012

1. End-of-Year Data Report -- All ECEAP contractors submit end-of-year outcomes using a survey tool.

- Print a paper form to compile your data at www.del.wa.gov/publications/eceap/docs/EndYearDataReport_2011-12.docx
- Enter data at www.surveymonkey.com/s/ECEAPoutcomes.

2. e-DECA -- DEL will obtain these results directly from Devereux. The DEL report will compare fall data (collected during the first eight weeks of the school year) and spring data (collected during the last eight weeks of the school year).

IMPORTANT: Make sure that ECEAP children assessed using the DEL DECA license are coded as ECEAP in the “external ID” field. This field is located on the Child Page right by the child’s name. This is essential because it allows DEL to extricate your ECEAP measures for our outcomes reports.

3. Teaching Strategies GOLD -- DEL will obtain these results directly from Teaching Strategies, for ECEAP contractors using this tool. The DEL report will compare fall checkpoint data (collected and *finalized* within the first 90 days of class) and spring checkpoint data (collected and *finalized* by June). Please finalize your checkpoints as far apart as possible in order to show maximum growth. DEL will collect data on all objectives and dimensions in the following areas of development and learning:

Physical Language Cognitive Literacy Mathematics

IMPORTANT: Once you have signed the release form, Teaching Strategies will activate a field in the Child Profile that will allow you to select “ECEAP” as the “Funding Source” for the ECEAP children.

4. Family Outcomes -- Optional

Collecting family outcomes is optional for the 2011-12 school year. If you choose to do so, DEL would like to use your results for our outcomes reports. The English and Spanish family interview forms as well as a form to tabulate results are available at:

Word: www.del.wa.gov/publications/eceap/docs/FamilyOutcomesSurvey.doc

PDF: www.del.wa.gov/publications/eceap/docs/FamilyOutcomesSurvey.pdf

Submit your data on the form that that starts on page 13 of either of these documents. Send it to eceap@del.wa.gov.
