Family Home Child Care Licensing Checklist

Name	Provider ID #	10 digit telephone number	
Street Address	City	State	Zip Code

Licensor Name	Office	10 digit telephone number	Inspection Date:
---------------	--------	---------------------------	------------------

Mark columns: **C** = Compliance **D** = Discussed **N** = Noncompliance **NA** = Not applicable
P = Presumed compliance (no evidence to the contrary)

Type of License:

Initial

Full

Renewal

Certification

APP column below is to be completed by the applicant.

INIT and **FULL** columns are completed by Department of Early Learning (DEL) licensor

Documents WAC 170-296

App	Init	Full	Requirement	App	Init	Full	Requirement
			Attended orientation (0160) Date(s):				HIV/AIDS training (0160) BBP information Date(s):
			Basic, standard First Aid training (0230) Expiration date(s):				Water quality approval, if required (1140) Date:
			Infant/child/adult CPR training (0230) Expiration date(s):				Sewage system approval, if required (0160) Date:
			TB test results (0160) Date:				Employment/education resume (0160)
			STARS training completed (1410) <input type="checkbox"/> 20 hours <input type="checkbox"/> 10 hours				References (0160)
			Photo copy of SSN valid for employment or verification of employer EIN (0160)				Completed application in file (0160) Date:
			Local city and county ordinances discussed (0125)				License fees paid (0170) Date:
			Visual comparison of you and original photo identification (0160)				Background check results (0220)

Characteristics of Applicant WAC 170-296

App	Init	Full	Requirement	App	Init	Full	Requirement
			18 years of age or older (0130)				Reliable, dependable, and truthful
			Physical ability to respond to the health, safety, and emotional well-being of a child (0140)				A disposition respectful of a child's need for caring attention (0140)
			Ability to plan and provide care based on the understanding of each child's needs (0140)				Ethical business practices with clients, staff, the department, and community (0140)
			An understanding of how children develop socially, emotionally, physically, and intellectually (0140)				You are the primary child care provider during the majority of child care business hours (1420)

Parent Communication

WAC 170-296-0500

The following WRITTEN policies and procedures are given and explained to parents:

App	Init	Full	Requirement	App	Init	Full	Requirement
			Enrollment/admission requirements				Sign-in and sign-out procedures
			Fee and payment plan				Religious activities, if any
			Typical daily schedule including hours of operation				Transportation and field trip arrangements
			Typical meals and snacks served (give example) including guidelines for food brought from the child's home				Typical staffing plan when you are absent from the child care
				Health care practices			
				Disaster plan			
			Permission for free access by the child's parent or guardian				Supplies and clothing to be provided by the parents
			Child abuse and neglect and exploitation reporting				Care of the young child: <input type="checkbox"/> SIDS guidelines <input type="checkbox"/> Diapering <input type="checkbox"/> Toilet training <input type="checkbox"/> Feeding
			Child guidance and discipline (must state no corporal punishment allowed)				
			Requirements for maintaining accurate and up to date CIS records				
			No smoking policy				Nondiscrimination Statement
							Policy regarding pets

Learning and Play Materials

WAC 170-296-1370

App	Init	Full	Requirement	App	Init	Full	Requirement
			Appropriate for the ages and development of the children				Required quantity and variety to meet the needs and interests of children being served
			Culturally relevant				Children are able to access the learning and play materials appropriate for their development

Indoor Play Areas

WAC 170-296

App	Init	Full	Requirement	App	Init	Full	Requirement
			At least 35 square feet of usable floor space per child for developmentally appropriate play (1210)				Temperature maintained no lower than 68F while child awake and 60F while child naps (0980)
			Any use of space for more than one purpose (examples: napping area or kitchen used as play space) is safe and appropriate (1020)				Accessible and individual storage for each child; describe below (0970)
				Lights provide good visibility, rooms are ventilated (1210)			
			A designated area that is developmentally appropriate and safe for children less than 24 months of age (1210)				

Describe below the indoor play area(s) children use. Include storage space (attach picture if you wish)

Outdoor Play Area and Equipment				WAC 170-296			
App	Init	Full	Requirement	App	Init	Full	Requirement
			Safe, securely-fenced, or department approved enclosed play area (1220)				Minimum 75 square feet of usable play space per child (not required if you were licensed prior at this location prior to 10/01/2004)
			Outdoor play area directly adjoining indoor premises or be reachable by a safe route/method approved by the licenser (1220)				Climbing equipment not placed on concrete, asphalt, wood, or similar surface (1230)
			Fence must be a minimum of four feet high and designed to discourage climbing or unauthorized entry and exit (1220)				Fall zone minimum six feet in any direction from climbing equipment (1220)
			Spacing between vertical slats no greater than three inches (1220)				Ground cover under climbing equipment soft enough to absorb falls and prevent injury (1220)
			Child unable to access roadways and other dangers from outdoor play area (1220)				Preschool child and younger must be in visual and auditory range at all times (1360)
			Climbing equipment and swing sets securely anchored to the ground (0720)				Children on bicycles, roller blades, skateboards, or scooters must wear helmets (0720)
			Swing seats constructed of soft material with no sharp edges and chains on swings have protective coverings (0720)				No trampolines or rebounders in licensed space (0720)
							Opportunities for daily outdoor play activities provided (1220)
			Variety and quantity of age appropriate play equipment that promotes active play, development, and coordination (1240)				Indoor and outdoor climbers and platforms have no openings between 3 ½ and 9 inches (0720)
			Play area arranged so children playing on different equipment do not interfere with each other (0720)				Bicycles and tricycles equipped with chain guards (0720)
			All playground equipment installed to manufacturers instructions and maintained in good condition (1240)				

Please indicate which of the following you have in your outdoor play area:

<input type="checkbox"/> balancing (for example: tires, balance beam, etc.) <input type="checkbox"/> climbing (for example: swing sets, climbers, boxes, etc.) <input type="checkbox"/> pushing (for example: push toys, strollers, etc.) <input type="checkbox"/> pulling (for example: wagons, carts, etc.) <input type="checkbox"/> riding (for example: younger/older children)	<input type="checkbox"/> low slide <input type="checkbox"/> small climbing equipment <input type="checkbox"/> jump ropes <input type="checkbox"/> balls (big and small) <input type="checkbox"/> sporting equipment <input type="checkbox"/> book of organized cooperative group games <input type="checkbox"/> sandbox <input type="checkbox"/> wading pool	<input type="checkbox"/> sidewalk chalk <input type="checkbox"/> large boxes <input type="checkbox"/> storage (for example: large boxes, netting, large buckets) <input type="checkbox"/> Other:
-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

Your Daily Schedule Must Promote				WAC 170-296-1370			
App	Init	Full	Requirement				
			Social skills (for example: opportunities for sharing, caring, and helping)				
			Positive self concepts (for example: encouraging children to draw pictures and tell stories about themselves)				
			Language and literacy (for example: reading books, songs, conversation, story telling, scribbling, and drawing)				
			Physical development in both indoor and outdoor settings, strengthening large and small muscles and encouraging eye-hand coordination, body awareness, rhythm and movement (for example: finger plays, obstacle courses, and puzzles)				
			Creative expression and appreciation for the arts (for example: creating artwork as process rather than product, dance, movement, dramatic play, music, and materials that represent a variety of cultures)				
How have you stored your play materials so that children can get to them on their own?							
Your Daily Schedule Must Provide				WAC 170-296-1370			
App	Init	Full	Requirement	App	Init	Full	Requirement
			Individual, small group, and large group activities				Opportunities to explore science, dramatic play, music, language arts, and mathematical concepts
			Opportunities for success through open ended activities				Balance between staff directed and child initiated activities
			An environment of respect for individual and cultural diversity				Ample opportunities for infants and toddlers to move about freely in a safe area
			Opportunities for children to solve problems, initiate activities, experiment, and gain mastery through learning by doing				If television/video viewing occurs, it must be educational and designed for children; alternative activities must be available
			When one or more American Indian child(ren) receives care at the home, you must in consultation with the parent establish a plan to provide resources and training designed to meet the social and cultural needs of such children				
Infant/Toddler Activities and Routines				WAC 170-296			
App	Init	Full	Requirement				
			Safe and suitable toys and equipment (1370)				
Daily opportunity for activities and routines to promote:							
App	Init	Full	Requirement	App	Init	Full	Requirement
			Sensory stimulation (1210)				Self-help skills (1210)
			Social interaction (1390)				Crawling and exploring (1210)
			Large and small muscle development (1210)				
Provider, Staff, Volunteer-Child Interactions				WAC 170-296-1390			
App	Init	Full	Requirement	App	Init	Full	Requirement
			Treats children respectfully				Attends to children when they cry
			Allows equal opportunities to participate in developmentally appropriate activities				Sits with children during meals when possible

Provider, Staff, Volunteer-Child Interactions (continued)								
App	Init	Full	Requirement	App	Init	Full	Requirement	
			Speaks to children at their eye level; listens to children with attention and respect				Performs nurturing activities such as diapering, toileting, feeding, dressing, and resting in a relaxed reassuring and individual manner	
			Appropriately holds, touches, and smiles at children				Must not use profanity or obscene language	
			Is responsive to children, encouraging sharing of experiences, ideas, and feelings					
Child Guidance and Discipline				WAC 170-296				
App	Init	Full	Requirement	App	Init	Full	Requirement	
			Developmentally appropriate social behavior (self control, self direction, self-esteem, and cooperation) (1280)				You or primary staff are responsible for disciplining children (1280)	
							Discipline that is fair, reasonable, consistent, and related to the child's behavior (1280)	
			Expectation of children's social behavior must be appropriate to each child's level of development (1280)					
			No one on the premises uses corporal punishment (no "hitting, biting, jerking, shaking, spanking, slapping, striking, kicking;" no "cruel, unusual, hazardous, frightening, or humiliating discipline;" no "withholding of food, no physical restraint injurious to the child") including disciplinary use of highchair, car seat, or infant seat (1290)					
Required Supervision of Children in Your Care				WAC 170-296				
App	Init	Full	Requirement	App	Init	Full	Requirement	
			Children are within sight or hearing range at all times so you or a primary staff person are capable of intervening to protect the health and safety of the children. Children pre-school age and younger must be within sight and hearing when outside (1360)				Only parent, licensee, or family member, employee, volunteer, or government representative have regular or unsupervised access to the child	
							Children must not be on a floor level of the home unless you or a primary staff person is on the same floor level (1360)	
			The supervision you provide must ensure that you are aware of what the children are doing at all times and can promptly assist or redirect activities when necessary (1360)				Sleeping or napping infants must be in the main child care space and are subject to continual checks (1360)	
			When you are unable to view children, you continually go to where children are to check on them (1360)				A baby monitor or video monitor must not take the place of the required supervision for children in care (1360)	
			No child is left unattended while in a motor vehicle					
Physical Structure and Equipment Safety Requirements				WAC 170-296				
App	Init	Full	Requirement	App	Init	Full	Requirement	
			Home or building that includes child care space and equipment maintained in a clean and sanitary condition, free of hazards, in good repair (0720) (Ex.No poisonous plants, or buckets of water)				Plastic bags, styrofoam objects, vinyl or latex gloves made inaccessible to children under three years of age (0720)	

Physical Structure and Equipment Safety Requirements (continued)							
App	Init	Full	Requirement	App	Init	Full	Requirement
			Stairways equipped with securely mounted handrails within the reach of young children (0720)				Art and play materials for children under the age of three are nontoxic (0720)
			Stairways, steps, and hallways are well lit (0720)				Wheeled baby walkers not allowed (0720)
			Stairway access blocked by gates or other physical barriers to protect infants and toddlers (0720)				Trampolines and rebounders not allowed in licensed space (0720)
			Furniture, equipment, and climbing structures clean, sturdy, without sharp edges and do not present hazards (0720)				Toxic and poisonous substances stored inaccessible to children and separate from food items (including cosmetics) (0820)
			Furnishings in licensed space are safe, comfortable and match the developmental levels of all children (0720)				
			Provide non-removable electrical outlet covers to all outlets accessible to children in care for children five years or younger and persons with limited mental capacity (0720)				Working landline telephone on each level of the home used for child care (1110)
			Bathrooms, kitchens, and any other rooms subject to moisture constructed with washable water resistant floors (this does not apply if you were licensed at this location prior to 10/01/2004) (0720)				Have an unlocking device readily accessible to you and your staff for closet and bathroom doors that can be locked (0720)
							Infant and toddler toys safe and pose no choking hazard (0720)
			Weapons and ammunition stored in secure locked storage (0800)				Flashlight available, location (1610):
			Window blinds or window coverings with pull cords or inner cords do not form a loop (this poses a risk of strangulation to young children) RCW 43.215.360				
Kitchen and Eating Equipment				WAC 170-296			
App	Init	Full	Requirement	App	Init	Full	Requirement
			Adequate facilities for preparing, storing, serving food (0990)				Styrofoam cups not used for infants and toddlers (0920)
			Range tops, ovens, and refrigerators clean (0990)				Disposable cups and plates discarded after use (0920)
			Food contact surfaces free of cracks and crevices (0990)				Keep pets out of the kitchen while preparing food (0990)
			Food preparation area and eating surfaces washed with soap and water prior to using (0990)				Eating equipment properly cleaned using a dish washer or the three step method to wash (1000)
			Hazardous appliances and sharp knives and utensils are inaccessible to child?				
Laundry				WAC 170-296			
App	Init	Full	Requirement	App	Init	Full	Requirement
			Separate and adequate facilities for storing soiled and clean linen (1160)				Directly supervise when laundry equipment is accessible to children and in use (1160)

Laundry (continued)							
App	Init	Full	Requirement	App	Init	Full	Requirement
			Provide a washer and dryer or make other arrangements for getting laundry done on a regular basis (1160)				Clothes dryer vented to the outdoors (1160)
							Contaminated laundry sanitized (1170)
Toilet and Hand Washing Sink				WAC 170-296			
App	Init	Full	Requirement	App	Init	Full	Requirement
			Toilets and hand washing sink at appropriate height or reached safely by easily cleanable platform impervious to moisture (1180)				At least one indoor flush-type toilet with one adjacent hand washing sink (1190)
							Room used for toileting is ventilated (1130)
			Water for hand washing is between 85 – 120F. Temperature is (1180):				Toileting privacy provided for children four years or older or showing need for privacy (1190)
			If bath tub is used, it has nonskid pad or other safety device (1100)				Mounted toilet paper dispenser and toilet paper for each toilet (1190)
Water Safety				WAC 170-296-0750			
App	Init	Full	Requirement	App	Init	Full	Requirement
			Lock hot tubs and spas and not use these during operating hours				Directly supervise all children in care when they have access to wading pools, swimming pools, and other bodies of water that are in your licensed space
			Five foot high fence designed to discourage climbing with locked gate around pool of water				
			Bodies of water must be inaccessible to children when you are not providing direct supervision				
			Portable wading pool emptied and sanitized daily and as needed when in use				
							Certified life guard must be on duty when children are using a public or private (other than your own) swimming pool, lake, river, pond, ocean, or any other body of water used for swimming
Fire Safety				WAC 170-296			
App	Init	Full	Requirement	App	Init	Full	Requirement
			Smoke detectors tested monthly (0580)				<u>Alternative method of sounding fire alarm</u> (0590): What is it? Where is it kept?
			Smoke detector installed in nap/sleeping areas (0580)				
			Smoke detector audible in all areas of buildings (0580)				
			Smoke detector installed on each story and in the basement (0580)				2A, 10BC fire extinguisher and written documentation of yearly maintenance (0600)
			Proper type and size of extra batteries for smoke detectors and where are they kept (0580):				Fire extinguisher kept on shelf or mounted, with the top not more than five feet above floor, within 75 feet of exit (0600)

Fire Safety (continued)							
App	Init	Full	Requirement				
			Hard-wired smoke detectors must be permanent, without a disconnecting switch (0580)				
			Commercial or biohazard areas must be separated from the child care with a fire wall (0560, 0570)				
Exits				WAC 170-296-0560			
App	Init	Full	Requirement	App	Init	Full	Requirement
			One exit door must be of the pivoted or side hinged swinging type. You may use an approved sliding door for the other exit (two exits required).				Exit doors must open to the full exit position; exit doors and windows must be of the type that can be opened from the inside without using a key. No night latches, dead bolts, security chains, manually operated edge or surface mounted bolts used during childcare hours.
			Maximum distance between exit door and any point in the home is not more than 150 feet				
			Each exit door opens easily, to full open position, from inside, without using a key				
Basements				WAC 170-296-0560			
More than four feet below grade level used for child care must have one of the following:							
App	Init	Full	Requirement				
			One of the two exits discharges directly to the exterior from the basement level AND a self-closing door is installed at the top or bottom of the interior stair leading to the floor above, OR				
			Two exit stairways opening directly to exterior of building without entering the first floor, OR				
App	Init	Full	Requirement				
			One of the two exits is an working window or door, approved for emergency escape or rescue, and opens directly to public street, public alley, yard, or exit court, OR				
			Residential sprinkler system installed for entire home meet National Fire Protection Association standard.				
Second Story				WAC 170-296-0560			
More than four feet above grade level, must have ONE of the following or must NOT be used for child care, except for child to use the toilet facilities while under supervision of a staff person:							
App	Init	Full	Requirement				
			Two exit stairways from second story open directly to exterior of the building without entering the first floor, OR				
			One of two exits discharges directly to exterior from second story level, and a self-closing door is installed at the top or bottom of interior stair leading to the floor below, OR				
			Residential sprinkler system installed for entire home meet National Fire Protection Association standards.				
Split Level Homes				WAC 170-296-0560			
Must have the following:							
App	Init	Full	Requirement				
			If ceiling height of a room open to the hallway serving sleeping or napping rooms exceeds that of the hallway by 24 inches or more, you must install smoke detectors in both the hallway and the sleeping or napping room, OR				
			If nap/sleep rooms are on the upper level, smoke detectors must be placed on the ceiling of the upper level in close proximity to the stairway and in each sleeping or napping room.				

Escape or Rescue Window				WAC 170-296-0560			
Must have:							
App	Init	Full	Requirement	App	Init	Full	Requirement
			24 inches minimum net clear open height dimension				44 inches maximum sill height above floor or stationary platform under window to meet 44 inches requirement
			20 inches minimum net clear open width dimension				
			5.7 square feet of net clear openable area				
Emergency Procedures				WAC 170-296			
App	Init	Full	Requirement	App	Init	Full	Requirement
			Written fire evacuation plan (0630)				Conduct fire hazard home inspections and correct any hazards found (0650)
			Test smoke detectors (0580)				
			Bathroom door lock opens from outside in an emergency, opening device readily available for staff use (0560)				Combustible rubbish not allowed to accumulate; removed from home or stored in closed, metal containers (0610)
			Children may open closet door latches easily from the inside (0560)				Waste removed daily to disposal containers made of noncombustible material with lids (0610)
			No obstructions in corridors, aisles, doorways, stairways, or ramps (0560)				Electrical circuits, devices, appliances properly maintained (0610)
			Use of space heaters prohibited (0610)				Electrical motors kept dust free (0610)
App	Init	Full	Requirement	App	Init	Full	Requirement
			Furnace room kept free of lint, grease, rubbish accumulation, and suitably isolated, enclosed or protected (0610)				Electrical circuits, devices, and appliances properly maintained and not overloaded (0610)
			No space that is accessible only by ladder, folding stairs, or trap doors may be used for child care (0560)				Permanent wiring and receptacles used (0610)
			The local building official must approve fire places, wood stoves, or similar devices and any connections when installed (0610)				Flammable or combustible materials stored away from exits, in areas not accessible to children (0610)
			Open flame devices not left on, unattended, or used improperly (0610)				Must have an approved barrier erected to prevent children from coming in contact with open flames or hot surfaces (0610)
			Candles not used (0610)				
			House numbers plainly visible and legible from street fronting property; numbers contrast with background (0610)				Local fire department requested to visit facility; please document their response (0610):
							Sprinkler system, if installed, tested annually by licensed specialist, with documentation maintained on site (0620)

Transportation				WAC 170-296-1250			
App	Init	Full	Requirement	App	Init	Full	Requirement
			Vehicle in safe operating condition				Seat belts and approved car seat for each child according to Washington State Patrol recommendations
			Vehicle liability insurance; name of insurer:				
			Current First Aid and CPR for staff person in vehicle (1410)				First Aid kit and child's completed enrollment form in vehicle when transporting
			Driver's licensed				
Health and Medical Management				WAC 170-296			
App	Init	Full	Requirement	App	Init	Full	Requirement
			Children properly immunized, immunization in progress or written exception to requirement (0850)				Child and staff wash hands (0700, 0710)
			Toys, equipment, furnishing, and facility are clean and sanitary (0720)				Current, written health care policy (0840)
Medications				WAC 170-296			
App	Init	Full	Requirement	App	Init	Full	Requirement
			Written parental permission given including a start date and ending date, not to exceed 30 days (0870)				Medicines in properly labeled, original containers (0880)
			Written physician instructions to give medications, if needed (0870)				Medicines stored according to manufacturer or pharmacy instructions (0810)
			Written record of medications given to children (0870)				
			Unused medicine returned to parent (0870)				External and internal medicines stored separately (0810)
App	Init	Full	Requirement	App	Init	Full	Requirement
			Medicines stored in locked storage (0810)				Store pet and human medicine in separate locations (0810)
First Aid Supplies				WAC 170-296-0830			
Please list the contents of your First Aid supplies container:							
App	Init	Full	Requirement	App	Init	Full	Requirement
			<input type="checkbox"/> Unexpired bottle of syrup of Ipecac (required); expiration date: _____ <input type="checkbox"/> Band-Aids <input type="checkbox"/> Sterile gauze pads <input type="checkbox"/> Tape <input type="checkbox"/> Ace bandage <input type="checkbox"/> Protective gloves <input type="checkbox"/> Triangular bandage <input type="checkbox"/> Ice pack <input type="checkbox"/> Scissors <input type="checkbox"/> Current First Aid manual <input type="checkbox"/> Thermometer <input type="checkbox"/> Tweezers <input type="checkbox"/> One-way CPR barrier or mask				
Care of the Young Child				WAC 170-296			
1. Feeding							
App	Init	Full	Requirement	App	Init	Full	Requirement
			Label bottle with child's name and date prepared (0960)				Child held while bottle feeding (no propped bottles) (0960)
			Contents of any bottle not consumed within an hour is thrown away (0960)				Microwave not used to warm formula or breast milk in a bottle (0960)
			Refrigerate bottle properly (0920)				

2. Diaper Changing Area				WAC 170-296-1090			
App	Init	Full	Requirement	App	Init	Full	Requirement
			Separate from food preparation (1090)				Proper diaper changing procedure (1090)
			Easily accessible to hand washing sink other than sink used for food preparation (1090)				Proper disposal of diapers (1090)
							Hands washed after diapering each child (1090)
			Diaper changing surface is sanitized between use by different children or use a disposable covering, discarding it after each use (1090)				Mat is impervious to moisture and large enough to prevent surface underneath from becoming contaminated (1090)
Please describe the area where you do diaper changing and how it is set up:							
3. Toilet Training				WAC 170-296			
App	Init	Full	Requirement	App	Init	Full	Requirement
			Developmentally appropriate training equipment (1200)				Toilets are appropriate height for children in care or a safe, easily cleanable platform impervious to moisture provided (1190)
			Equipment sanitized after each use (1200)				
Nutrition				WAC 170-296			
App	Init	Full	Requirement	App	Init	Full	Requirement
			Food brought from home monitored to meet nutritional requirements (0920)				Food provided meets needs of the child, taking into consideration child's food preference for religious or medical reasons (0920)
			Meals follow USDA Food Program Guidelines with added Vitamin C and A (0900)				
			If applicable, which food program will you be on:				Serve only breast milk or formula to the child 0 to 12 months; whole pasteurized milk or breast milk to children 12 months to 24 months; pasteurized milk to children 24 months and older (0940)
			The number and frequency of meals and snacks served meet requirements (0910)				Safe drinking water available (0920)
							Home canned food prohibited (0950)

Nap and Rest Period								WAC 170-296
App	Init	Full	Requirement	App	Init	Full	Requirement	
			Supervised rest periods offered (1080)				Individual sleep schedule followed for children under 24 months of age	
			Quiet activities planned away from napping children for child not resting. Please describe (1080):					
Nap and Sleep Equipment								WAC 170-296
App	Init	Full	Requirement	App	Init	Full	Requirement	
			Mat or cot is long and wide enough to give comfort and is easily cleaned and sanitized; mat must be at least one inch thick (1040)				Infants must nap on their backs on firm mattresses. No soft, fluffy bedding, stuffed toys, pillows, crib bumpers, and similar items in the crib (1060)	
			Nap equipment cleaned weekly or as needed, and between use by different children (1040)				Nap equipment stored separately when not in use, away from bedding used by other children (1040)	
			Space between napping children allowing staff access (1040)				Crib slats 2 3/8 inch or less apart if used by child under six months (1050)	
			Clean sheet or blanket for each child (a slumber bag designed for indoor use can substitute) (1040)				Car seats, swings, and similar type equipment not used for sleeping (1050)	
			Each child in overnight care has own bed (1070)				Upper bunk not used for preschool age or younger child (1070)	
			Guidelines established by the American Academy of Pediatrics for putting infants down to sleep must be followed (1060)					
			Clean, separate, firm mat, cot, bed, playpen, crib provided for each child five years or younger and for other children who nap. Please note how many you have: ___ firm mats ___ cots ___ beds ___ playpens ___ cribs ___ bassinets					
Records, Reporting, and Posting								WAC 170-296
1. Child's Record Contains Current								
App	Init	Full	Requirement	App	Init	Full	Requirement	
			Completed child enrollment form, signed dated by the parent (0510)				Medication permission form (as needed) (0870)	
			Date of child's withdrawal recorded in child's file, file maintained for five years after date of last attendance (0520)				Completed immunization form (CIS) (0510)	
							Permission/authorization form	
							Injury/accident form (as needed) (0510, 0520)	
							Record of medication given (0870)	
2. Provider Records Contain								WAC 170-296
App	Init	Full	Requirement	App	Init	Full	Requirement	
			Sign in and sign out attendance records (0520)				Injury, illness, dispensed medication reports (0520, 0840)	

3. Personnel Records Contain								WAC 170-296-1450
App	Init	Full	Requirement	App	Init	Full	Requirement	
			Copy of criminal history background check results				First Aid and CPR training, if applicable	
			Employment application/resume				HIV/AIDS training	
			TB test results				Additional training if applicable	
4. Provider Reports Change of Circumstance								WAC 170-296-0550
App	Init	Full	Requirement	App	Init	Full	Requirement	
			The serious illness or incapacity of you and any other member of your household				Food poisoning or communicable disease to local public health department
