

For Your Information: In May 2008, this flyer was sent to Working Connections Child Care consumers with school-aged children to remind them to report changes needed for their child's school year.

ATTENTION: FAMILIES WITH SCHOOL-AGED CHILDREN

NOW is the time to report changes in your child care needs for the summer. Please call your Working Connections Child Care (WCCC) office and report **any** change such as:

- The last day of your child's school program
- The first day new child care hours start
- An increase or decrease in the number of child care hours
- A change in provider **or** provider location
- Any changes in your household, income or activity

IMPORTANT: Late reporting may delay payment to your provider.

Reminder: You received a copy of your WCCC Rights and Responsibilities with your WCCC Award letter. The WAC below outlines the changes you are responsible to report.
