Purpose of the proposal and its anticipated effects, including any changes in existing rules:

The majority of these revisions were a joint effort between the department and the Office of Administrative Hearings (OAH) to update, correct and clarify the hearing rules chapter for easier administration by the OAH. Other revisions were made in order to align the hearings chapter with recent changes made by the passage of the Early Start Act, specifically ensuring alignment with changes made to the ECEAP and background check rule chapters.

Reasons supporting proposal:

These changes update, streamline, and improve efficiencies for the department's hearing process and procedures.
